Dear Neighbor:

You are cordially invited to an after-Christmas party. It will be given by the Chadwick Avenue (North) Block-Branch of the Clinton Hill Neighborhood Council.

The purpose of the party is to continue to meet new neighbors, to renew our friendship and cooperation, and to have fun. Every person attending will be asked to contribute a nominal gift. The enthusiastic spirit of participation is value more than the purchase cost.

This is the first such affair given by the Chadwick Block-Branch. We sincerely hope that you will assure its success by coming and taking part. We expect the president of the Clinton Hill Neighborhood Council and other elected officers to join us.

Come early and join in the merry-making.

When?            Where?
